JUNE 2013 MEETING:

The June 11, 2013 meeting will start at 6:00 p.m. in the Vanderburgh County 4H center banquet hall. As normal the business meeting will roughly run from 6:00 until 6:30 and Sheri Meier and Jeff Hancock will host a interlocking hearts carving mini seminar starting after the business meeting. Please join me in thanking Sheri and Jeff for hosting this seminar.

A very special thank you to Mr. Kerry Austin for hosting last month's mini seminar.

If you have a carving related item (wood, tools, books etc.) that you would like to sell or trade please bring them to the meeting. We will set up a table for this purpose as we have in the past. Please put your name and the price you are asking on the item. If you purchase an item please settle up with the person that brought the item.

Please remember to bring an item for show and tell.

SHOW:

Ornament cutouts are in the library. Please pick up a couple to work on for the show in October.

Please bring any show yard signs you have to the next club meeting. We would like to get started assessing their condition and getting them ready for reuse this year.

INFORMATION:

The May meeting minutes have been posted on the club web site. Thanks to Kathy Vandrahe. Please visit the club web page (address in the header of this document) for meeting minutes, seminar schedule, club history and other information.

Did you know: The club offers \$25 to those that present a program at a monthly meeting? If nothing else this offsets the cost of yearly dues.

2013 SEMINARS:

Steve Brown has offered to have a carving seminar this year. The date has been set for **Sept. 21-22, cost of \$100.00 plus cost of rough out.** Min. of 6 and max. of 10 students. Please mark these dates in your planner. Steve has added to his roughouts and acquired the Bishop roughouts. This should be a great seminar. The signup sheet will be available at this meeting.

Floyd Rhadigan has offered to have a carving seminar following the 2013 show. Several of us attended Floyd's seminar this year and can highly recommend attending if you can.

Steve Oliver has offered to have a carving seminar this year. Dates and topic to be determined.

SCRIBBLES:

As stated earlier, I do not draw, I scribble. With that in mind, I am including one of my scribbles here. One of my goals for 2013 is to start doing my own designs. Since the 4th of July falls before our next meeting I am including an Uncle Sam grill master. The final carving was carved from this pattern but was somewhat modified during the carving process. Grill on.

The scribble was sized to be done on the end of a 1 1/2" X 1 1/2" basswood stick. At that size the face view and profile can be cut out with a scroll saw.

The following are pictures of the cutout as well as a finished carving.

Please feel free to carve this scribble and let me know if you have a scribble you would like to share or if you have an idea you would like to see as a scribble.

A few examples of the recent projects from Ken's bird carving group.

Steve Brown's May carve in class photo. Next carve in is scheduled for December.

Let the chips fall where they will. We will find a broom and dust pan somewhere.
