

NOVEMBER 11, 2025 MEETING:

We are planning to have our November 11th meeting in the 4H Fair Grounds Banquet Hall. We will have open carving and visiting starting at 3:30 pm, a 2025 Show committee closeout meeting starting at 5pm, and the business meeting will start at 6:00 pm. After the business meeting, Kathy will lead our mini seminar. A special thank you to Frank for leading our mini seminar last month.

Sale, Sale, Sale. It was suggested last year that we offer a tool sale for club members that have tools that they no longer use. This suggestion was a success and we will continue it this year. We will have a table set aside for this purpose at each meeting. If you have a tool or tools that you would like to sell, please bring them to a meeting. Please include a tag that identifies the tool, the seller, and the asking price. Please bring your wallet so you can purchase and take home more than you brought, as we all tend to do.

MEETING MINUTES:

The October 2025 Meeting Minutes are posted on the Club web site. Please take the time to read and review these minutes before the meeting. Thank you to Robin for recording the minutes and to Neil for posting them.

CLUB DUES:

Dues for 2026 will be payable at the January meeting. The 2026 roster will be set at the March meeting so please take care of this piece of business by then.

SHOW:

Thank you to everyone that made the 2025 show a success. This one will be quite memorable for several reasons. I think/hope we don't decide to make "Mood shopping by cellphone light" a thing going forward. Just my personal preference.

We will have a 2025 Show committee closeout meeting starting at 5pm.
