ORNAMENTS:

Time to start work on those Christmas Tree ornaments for use as 2026 Show door prizes. We have remaining and will have new ornament blanks available, so plan to grab several and make chips.

PRESIDENT'S CORNER:

The holiday season is upon us. Those of you that have not signed up for the Christmas party, please do so. There will be an ornament exchange, if you desire to participate. Place your hand-carved ornament in a brown paper sack and bring it to the party. Carvin' Marvin will be "Singin' Marvin" for the night and will entertain us after our meal. This is always a special event. January will be here in a flash and we'll begin renewing our memberships. We also have a new slate of mini seminars to learn from. There will be opportunities for everyone to pitch in and help in new ways in the new year. It takes all of us to have a great carving club. New ideas are appreciated, so let's all help to make the coming year the best ever.
