

MAY 14, 2024 MEETING:

We are planning to have our May 14, 2024 Club meeting in the 4H Fair Grounds Banquet Hall. We will have open carving and visiting starting at 3:30 pm, a Show committee meeting will be held starting at 5:00 pm and the business meeting will start at 6:00 pm. After the business meeting Marvin will lead a mini seminar carving a face focusing on eyes. A huge thank you to Kathy for hosting last month's mini seminar.

Sale, Sale, Sale. It has been suggested that we offer a tool sale for club members that have tools that they no longer use. With that in mind we will have a table set aside for this purpose at each meeting. If you have a tool or tools that you would like to sell, please bring it to a meeting. Please include a tag that identifies the tool, the seller and the asking price. Please bring your wallet so you can purchase and take home more than you brought, as we all tend to do.

Please remember that if the Vanderburgh School System cancels school due to weather on the day we have a meeting scheduled, our meeting will be canceled as well.

MEETING MINUTES:

The April Meeting Minutes are posted on the Club web site. Please take the time to read and review these minutes before the meeting. Thank you to Robin for recording the minutes and to Neil for posting them.

Dues remain \$25 for 2024 and can be paid to Roy at any time. The 2024 club roster will be available at the April meeting. Please check your contact information and forward any corrections to Roy.

Take Bell South until it T's into State. Turn right on State. Travel South on State until you get to Third. Turn right on Third. The Kiwanis building is two blocks down on the corner of Third and Filmore.

Yep, we will once again be asking for Club members to carve Christmas Tree ornaments for use as 2024 Show door prizes. We have new ornament blanks available, so grab several and make chips.

Jon, Frank and Jack demonstrated carving and promoted the Show at the Princeton bow shoot on April 20. Thank you to all that participated.

Strive to carve on something every day. I hope you will continue to support the Tri-State Woodcarvers Club as part of your personal woodcarving journey. As stated in the Club bylaws "The objective of this Club shall be to promote the art of woodcarving, and to provide activities for woodcarvers." I sincerely hope that we have, and continue to strive to fulfill this objective.
