1985-2025

40 Years of Woodcarving

Sale, Sale, Sale. It was suggested last year that we offer a tool sale for club members that have tools that they no longer use. This suggestion was a success and we will continue it this year. We will have a table set aside for this purpose at each meeting. If you have a tool or tools that you would like to sell, please bring them to a meeting. Please include a tag that identifies the tool, the seller, and the asking price. Please bring your wallet so you can purchase and take home more than you brought, as we all tend to do.

MEETING MINUTES:

The June 2025 Meeting Minutes are posted on the Club web site. Please take the time to read and review these minutes before the meeting. Thank you to Robin for recording the minutes and to Neil for posting them.

CLUB DUES:

Dues remain \$25 for 2025. The 2025 roster is officially set. and is available from Roy at any time. Please check your contact information and forward any corrections to Roy.

SHOW:

We will plan to have a Show committee meeting at 5:00 pm before our July meeting. Please join in and help us make this another successful Show. The 2025 Show dates are set for October 25 and 26. The time for both days are 9 am to 3 pm. The show will be held in the larger Exposition Hall again this year. We, once again, will need help filling the space with carvers, turners, woodworkers and vendors. Please pass this Show information along to

anyone you think would be a good fit for our show. Getting our show dates on a vendor's calendar early is a great thing.

MEETING PROGRAMS:

CarvingandSuch
QS Outdoors & Carvings

ORNAMENTS:

Yep, we will once again be asking for Club members to carve Christmas Tree ornaments for use as 2025 Show door prizes. We have remaining and will have new ornament blanks available, so plan to grab several and make chips.

NAME TAG COMPETITION:

Reminder that this year's name tag competition will take place at the August meeting. Carve a new name tag, in a design of your choice. Cash prizes for the winners of two categories (novice and experienced).

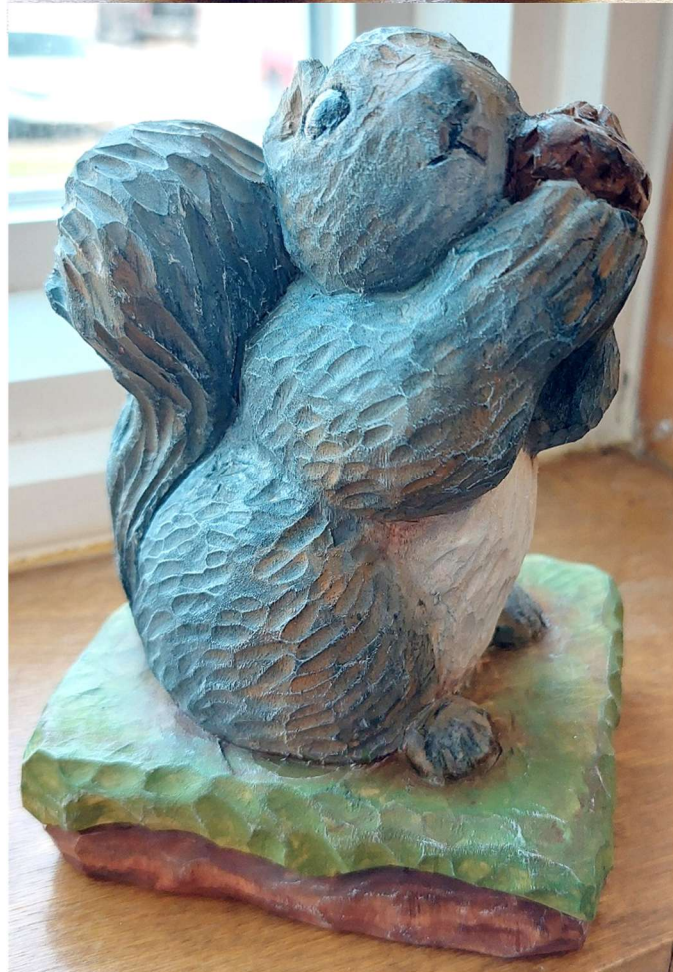

Library:

At the June meeting Ben, Robin and Steve worked to clean and organize the Library cabinet. It was decided, during that meeting, to replace the existing Library cabinet with a new one. The new cabinet has been purchased and we will plan to move the items currently stored in the existing cabinet to the new cabinet at the August meeting. Please come and join it the fun.

OPPORTUNITY KNOCKS:

Strive to carve on something every day. I hope you will continue to support the Tri-State Woodcarvers Club as part of your personal woodcarving journey.
