## SEPTEMBER 9, 2025 MEETING:

We are planning to have our September 9, 2025 Club meeting in the 4H Fair Grounds Banquet Hall. We will have open carving and visiting starting at 3:30 pm, the business meeting will start at 6:00 pm. After the business meeting, Marvin will lead our mini seminar.

**Sale, Sale, Sale.** It was suggested last year that we offer a tool sale for club members that have tools that they no longer use. This suggestion was a success and we will continue it this year. We will have a table set aside for this purpose at each meeting. If you have a tool or tools that you would like to sell, please bring them to a meeting. Please include a tag that identifies the tool, the seller, and the asking price. Please bring your wallet so you can purchase and take home more than you brought, as we all tend to do.

## MEETING MINUTES:

The August 2025 Meeting Minutes are posted on the Club web site. Please take the time to read and review these minutes before the meeting. Thank you to Robin for recording the minutes and to Neil for posting them.

## CLUB DUES:

Dues remain \$25 for 2025. The 2025 roster is officially set and is available from Jon at any time. Please check your contact information and forward any corrections to Jon.

## SHOW:

We will plan to have a Show committee meeting at 5:00 pm before our meeting. Please join in and help us make this another successful Show. The 2025 Show dates are set for October 25 and 26. The time for both days are 9 am to 3 pm. The show will be held in the larger Exposition Hall again this year. We, once again, will need help filling the space with carvers, turners, woodworkers and vendors. Please pass this Show information along to anyone you think would be a good fit for our show. Getting

1985-2025

*40 Years of Woodcarving*

our show dates on a vendor's calendar early is a great thing.

## MEETING PROGRAMS:

September – Marvin  
October – Frank  
November – Kathy  
December – Christmas Party

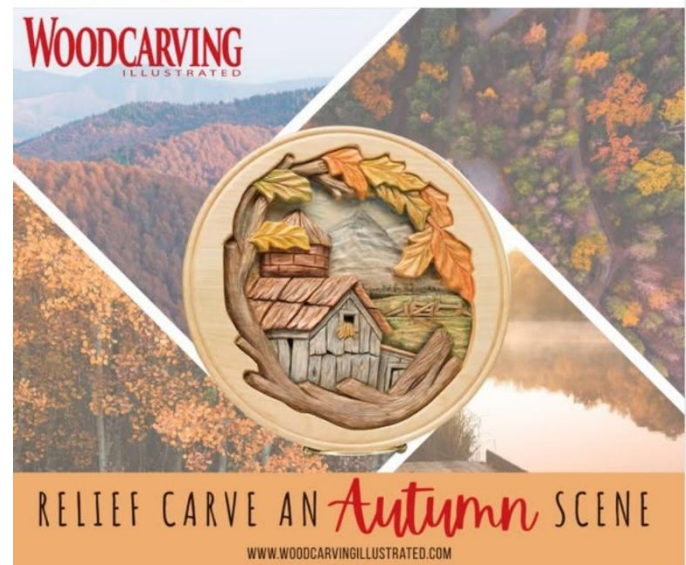

## INFORMATION:

WCI FaceBook post and link worth looking into.

🔥 How to Relief Carve an Autumn Scene!  
This landscape is actually an intaglio carving (since the carving sits lower than the background), but it takes on the look of a traditional relief carving. 🧩  
Learn this award-winning technique from Robert Biermann of St. Louis, MO, a carver who has earned recognition at several woodcarving shows. 🏆

## ORNAMENTS:

We are in need of Christmas Tree ornaments for use as 2025 Show door prizes. We have remaining and will have new ornament blanks available, so plan to grab several and make chips.

## Library:

At the August meeting Ben, and Robin worked to clean and organize the new Library cabinet. The new cabinet still needs some organization work, so we will plan to do some of this at each of the upcoming meeting nights.
